

Neodesha Promise College Prep 101

Junior Year

- Your junior year is a BIG year! Keep up the hard work!
- Research possible colleges and request info from them!
- Continue working on your Xello assignments
- Visit college campuses (campus tour, visit advisor, etc.)
- Talk to friends and family to gather ideas on college
- Run for leadership positions in the organizations you are involved in!
- Speak with Academic Advisor for college suggestions you may have not thought about.
- Know the admissions criteria for your top schools
- Get involved in extracurricular activities. Complete your ten community service hours.
- Explore careers and job opportunities in those careers.
- Study hard and do well in schools. Remember, your grades will count towards your cumulative GPA.
- Start to attend events on college campuses - plays, concerts, sporting events, activities related to your major etc.
